# HOME OF THE BEARCATS

Success is many things at R.D.H.S. It is winning the big game or it is failing to pass a test that took all night to study for. It doesn't have to be being the best or being the most popular although that may be the lighter side. Success is trying your best even though sometimes it isn't good enough. We like to think we've succeeded when we've reached our goals. In a way we have, but if the goals were obtained by cheating or accusing or doing something wrong, it really isn't success. We hope to make Ray High the best school in the state. We can do this by good sportsmanship and outstanding performances and proving that we deserve the title the "BEST". We are well on our way to success, but remember we must always do our best to be at our best. So "GO GET, EM BEARCATS!"

## THE BEARCAT

This years Bearcat was again printed in the Copper Basin News under the leadership of Mr. Thomas Capoot.

Various ideas were tried throughout the year. Student of the week and Teacher Feature were two examples of new features used.

Giving much needed help and advice to the Bearcat staff was the Copper Basin News general manager and editor Jimmy Woods. He added to our year's success.

The staff's final project will be to complete the senior edition in May.

# MUSICAL SCHOOL

In attendance at every rehearsal was Jennifer Johnson.

Senorita Valdey, played by Norma Gusman, is conferring with the mysterious Senor Pimperl.

# SENIOR PIMPERNEL

The school musical, entitled "Senor Pimpernel", was a Lancer Production, a company from which other plays have been obtained by the school. The play started production on the first of February and ended on March 18 and 19 when the play was performed for the public.

A lot of time was put into the production. A period of six weeks was used to get the play ready for an audience. Normally, a musical comedy like the one done would take seven weeks, but Mr. Garrett thought that the sixty-four people involved would work harder if they had a shorter time in which to perfect it.

"Senor Pimpernel", a musical comedy, ran parallel to the old story of "The Scarlet Pimpernel." The time was the present, and the setting was Costa Rosa, a country in Latin America. The story was about a British consul and his son who moved to Costa Rosa from England. The son, Andy, took up the fight of helping the Costa Rosans free themselves from el Presidente. Andy, played by Drew Mansager, did not tell his father, Allen Williams, that he had taken up the fight against el Presidente, Don Baca. Brenda Henderson played the female lead.

# Summer Jobs at Kennecott help over 100 young Arizonans earn their way through college

Most of them, like Don Boyd, are in their first or second year of college. Most of them will earn more than enough for a full year's tuition. Last year, Kennecott paid over \$170,000 in wages and salaries to the students — and a few teachers — who filled in for regular employees on summer vacation.

Susan,

Here's

Susan,

we had a blast at Arizona Model Y.M.  
didn't we. Sue, I've really had a  
ball knowing you. You're really a  
super cool person. Remember when  
you & Neb got married? And  
you still have the ring. Where  
ever you go, be good and take  
care of yourself. I really like  
you and your sense of humor.

Don't loose it. Stay cool and  
don't. I love your laugh.  
we've really got some super memories.

Don't forget them. Remember the hangover  
got from "eggs + steak" ha, ha,

Love ya Bryce

you're a giant  
it a person

SUSAN,  
OR MANY YEARS AND ITS  
REALLY BEEN KOOL. ~~DOPS~~ YOU'RE  
REALLY A NICE AND INTELLIGENT GIRL.  
I SURE AM, AND IT'S REALLY GREAT. HAVE FUN THIS  
SUMMER AND GOODLUCK IN COLLEGE NEXT YEAR.

Susan,

Well here we are leaving good ol'  
Ray high to go out into the big, cold  
unfriendly world. Isn't it great? You're going  
to Texas to Increase your ~~Knate~~ Smarts huh?  
Well y'all be good and good luck.

your friend

Nathan

MY DEAR GIRL  
YOU ARE MUCH TOO  
EXCITING A PERSON TO  
BE A SENIOR. I'LL BET  
YOU DON'T UNDERSTAND  
THAT LAST STATEMENT.  
DON'T FEEL BAD IF YOU  
DON'T. BECAUSE I DON'T  
EITHER. SERIOUSLY YOUR QUITE  
AN INDIVIDUAL, FRIENDLY, NICE,  
GOOD-LOOKING, AND I'LL THROW IN A  
FEW BRAINS FOR YOU ALSO. TAKE CARE  
MY LOVE, AND THE BEST OF LUCK  
Love,  
Bill

Susan,

You have really given me a lot of wonderful memories to look back on. I'm still planning to look you up when I make senator. I hope you've learned all about shorthand (from the lap position) and typing and all the other things a good secretary needs to know.

I also haven't forgotten 1975. Do you still have my ring? I bet there's not another one like it in the world. It took an expert craftsman to get the silver (or is it gold?) that thin.

Well, now that we'll be living R.D.H.S., I hope you won't forget me. Good luck and watch the election returns.

Love,  
Chris

Sue-Homemaker (c. 5000)  
This year is going to leave an imprint on my memory forever. You helped me be happy when I was sad and you were happy when I was a blast. I felt involved and belonged and God Bless, God Bless, God Bless.

Susana, it's been great having you as a fellow cheerleader. I have three wishes for you. Be good, stay nice, I leave you to more wishes when you want you to come & watch us cheer. I hope we're good. Love, Sylvia Abdul

SUSAN (SUE)

It's been great fun knowing you all these yrs. The classes I had with you would never been the same without that crazy laugh of yours that's so great. When you're thinking of R.H.S. in the future, I hope you think of me and all the fun times. Best of luck and May God Bless you.

Ellen,  
I sure had a good time  
with you this year. During  
the summer I'm going to take  
PRA lesson so I can be  
as good as you. We finally  
made it through school  
from elementary through high  
school, what a relief! I  
hope I'll be seeing you, may-  
be in 10 year.

Thanks for

Hi Susie-Q !!

SUSAN,

I groove on you  
Susan, and there's nothing  
else that needs to be  
said. Texas is a big  
place but its in-  
evitable that we'll  
run into each other  
some time.

With love,

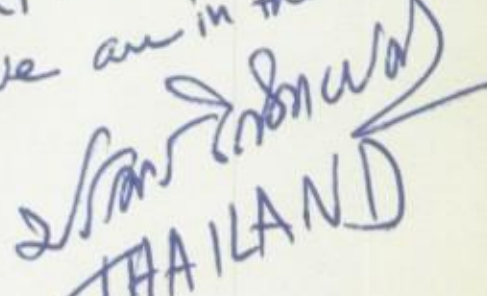

Barry

We've been through a lot together →  
remember Gilbert?? Remember our  
Spanish class with all the cool  
heads? But now we've finally  
made it and will now go our  
separate ways. But I won't forget  
the fun memories and times we've  
had together. Let's keep in touch  
Barry and Sue → be true to yourself and  
always retain your self-respect. Keep  
smiling and good luck in every-  
thing you do. God bless you.

Love

Becky

I wish you the best  
of luck in the future.  
We had some fun times  
and maybe there will  
be more. God bless  
you and keep  
you in the best  
of health.  
Always  
Barry

Susan,  
If I ever forget a friend  
like you, I better not be a  
Thai boy named Prapakorn  
Lontongkam. You are so nice  
and so cool but I have to say  
"Sobong" I might see you someday  
because we are in the same  
world!

Thanks  
I'm not doing too good but  
next time you and the group  
caught O.K. I'll be there to get  
future, but don't get  
have fun in the  
dream,  
Susan,

Susan, I hope that you don't mind, but I'm gonna  
take up as much room on this page as possible, 'cause I've  
got a lot to say. I've known you now for about 12 yrs. or more  
and I've enjoyed every minute of it. You've been one of the best  
female friends that a guy could have. Up until this year I thought  
that ~~you~~ you'd always be just a real, real good friend to me. I  
was wrong. I didn't really meet ya 'til this year. You made  
this year (our 8th year) one that I'll always remember. You made  
it the best of all the 12 that I've known you & I'll never for-  
get you for that. I only hope that I did as much for you.  
For two people who knew each other so long, we sure did  
have some great times. Didn't we? Remember, when I first asked  
you out. I know about when we went to see Love Story. You know I  
can't think of a date that I had with you when I didn't have  
fun. Whenever we went out, I always had fun. I don't  
know about you, though. Were there anytimes when you didn't. Susan  
we always thought a great deal of you, but after this year, I know  
that I'll always have some deep feelings for you. What we had this  
year, makes up for all the times I was afraid to ask you out  
'cause I was afraid of being put down. I'm glad that everything  
worked out okay, & that we're not silly about this like some kids around  
school. But, more than once, I've wished things were like they were  
while back. I've really missed you these last couple of weeks & I  
was afraid that maybe you were ~~really~~ mad about something from  
the way that you talk to me sometimes. I just hope that if you  
ever get mad at me for some reason, that you'll tell me, 'cause that's  
the last thing in this world that I want. I do want you to  
be happy though, and if ever there is anything I can do for you, please  
let me know. Okay. Next year while you're at college having fun  
me, if you can, remember the fun that we used to have. I hope  
to plan on dropping you a line every now & then next to let  
you know how you're doing, 'cause I'm planning on it. And

uson, (Luzie)

Susan,  
 I don't get

on doing, (if you're not involved with anyone) is asking you  
out sometime this summer & next year if you ~~do~~ ever  
come home. (Remember you told me that you weren't coming  
home.) Well I've written more in I should have & you're  
probably mad at me by now for taking up so much  
room on you're annual. (But I just had to tell you how  
I felt.) So I'd better go now pretty quick. But before I  
go I want to wish a pretty girl, with a great personality  
and a good fig. everything this world has to offer. Until this  
year, there was a part of you that I didn't know, a very  
sensitive part, and I want to thank you for letting me be  
a part of that. Good Luck in college & thereafter & I hope that  
you won't forget me too soon. Cause I'm sure I'll always  
remember you. (The girl who <sup>really</sup> taught me what love was all about.)  
Maybe you don't think that you did. But you did! Thanks  
for your friendship & after we go our separate ways I  
hope that our paths will cross again in a few years.  
& maybe then, if we both have done what we wanted to do, we'll  
discover what we came so close to having.

Good Luck again. & I know that God will always  
be with you, cause you're something special to  
me & you always will be. So long for now,  
I'm not going to say goodbye though.  
From someone to whom you are very dear.
